

## MERCHANDISERS

# Ice Buddy Made for Export 

## Ice Buddy works for you

- Single or double doors available
- Glass door or stainless steel door
- Drop-in refrigeration
- Solid
- Reliable
- Efficient
- All-in-one body design

Pictures show merchandisers laying down for shipping and ready to be stacked into container.

## "ICE BUDDY"

## Ice Merchandisers by Sanchez Refrigeration

Designed to be the best in the industry, the ICE BUDDY has been designed with the iceman in mind. Drop-in refrigeration systems eliminate the need for a refrigeration mechanic to go onsite to make repairs. Cabinet tops and bottoms have an extra inch of foamed-in-place polyurethane insulation for a total of 3 inches. All walls have 2 inches of polyurethane insulation. Models range from 30
to 100 cubic foot capacity with either solid or glass doors. 115 volt.

## STANDARD FEATURES

- Total steel cabinet construction
- Foamed-in-place polyurethane insulation
- Extra value insulation (3 inches) in cabinet tops and bottoms, 2 inches in walls
- High performance polyester finish plus a full range of contemporary colors
- Embossed aluminum doors with roll-in magnetic gaskets to assure a tight seal
- Sealed, balanced, trouble-free R22 refrigeration systems
- Five-year compressor warranty
- Large embossed doors assure easy access
- All upright models equipped with automatic door closers
- Triple pane or double pane "Super E" safety glass doors with matching trim and automatic door closers on all hinges

- Full top enclosures with slip-in signage
- Optional finishes include wood grains and contemporary colors
